MEMORANDUM

TO: Special Contracting Officer
FROM: Chief, EE/FIG
SUBJECT: Sven TREUHOFF

1. Your files will reflect that your office prepared a contract for Subject in the summer of 1953 to supercede a signed "field contract" with Subject dated 11 October 1951. This new contract was prepared to eliminate any reference to Subject's being "employed" by us, as Subject is in fact a Contract Agent and is not entitled to employee benefits. This new contract was duly pouched to the field in August 1953 for Subject's signature.

2. We have now been advised by the German Mission that Subject is arranging for his immigration to the United States and will probably accomplish this early in 1954. In view of Subject's imminent immigration, and the fact that Subject's compensation will gradually decrease as his work load is decreased preparatory to phasing him out completely, the German Mission believes it inadvisable to present Subject with a new contract at this time.

3. Inasmuch as Subject's original "field contract" appears adequate in most respects, it is requested that Subject be exempted from signing this new contract and that the present "field contract" remain in effect until Subject's immigration and termination.
